

EARTH ARTS SPRING TOUR APPLICATION

TOUR DATES: MAY 1ST AND 2ND, 2010

Dear Artists,

Here are the guidelines and application form for the 2010 Spring Art Tour. Please note that there are separate applications for host and guest artists. Please have everything in by no later than January 2, 2010. All artwork that is displayed on the Tour by both the host and any guest artist, must be hand-made and representative of the artists work. No resale or buy-sell items are allowed. For those of you who would like to be part of the Tour but don't feel you have the proper set-up to be a Tour stop, we encourage you to be a guest artist. Many Tour stop artists have space for guest artists. If you don't know of anyone to ask, your Tour Committee contact person will help you.

Your contact person for this year will be Tour Committee member Earl Duckett. All applications/payments will be sent/e-mailed directly to him at:

Earl Duckett: 583 245th Street
