JOIN US for this fun experiment in creativity and community. The objective: create a work of art that best depicts (to you) the theme **SEEING RED**. It can be any medium in 2D or 3D, just as long it fits through the doorway at Café Wren! We encourage all EarthArts members to get involved in the Salon as an artist and a worker. We do ask that Salon artists also volunteer time at the event and bring a little something to the potluck reception.

We will be plastering the surrounding communities with posters & mailing post cards to advertize this event. Tell your friends and customers to come by and vote for their favorite entry.

Applications will be accepted until October 8th but it would be extremely helpful if we had an idea of how many people plan on entering. Email David DeMattia at david@sleepingdragonstudios.com as soon as possible and tell him you are going to participate! Please include your name & medium.

All art sales are to be coordinated between artist and buyer. Salon workers will exchange any pertinent information with potential patrons – dropping off business cards with your entry is highly recommended.

Although all efforts will be made to safeguard entries, neither Earth Arts, Café Wren nor its agents are responsible for any loss or damage. Any questions about the Salon event can be directed to David DeMattia either at david@sleepingdragonstudios.com or 651-257-0916.

Please mail your fully completed application to:
