

EARTH ARTS SPRING TOUR APPLICATION

TOUR DATES: MAY 5th & 6th, 2012

Dear Artists,

Here are the guidelines and application form for the 2012 Spring Art Tour. Please note that there are separate applications for host and guest artists. Brochure space limited, applications will be accepted on a first-come-first-served basis. ***Deadline is January 2nd, 2012.***

All artwork that is displayed on the Tour by both the host and any guest artist must be hand-made and representative of the artists work. No resale or buy-sell items are allowed. For those of you who would like to be part of the Tour but don't feel you have the proper set-up to be a Tour stop, we encourage you to be a guest artist. Many Tour stop artists have space for guest artists. If you don't know of anyone to ask, your Tour Committee contact person will help you.
