- All artists on the Tour must be 2021 Earth Arts members, whether you show at you own Stop or at somebody else's.
- With your membership, your name and medium will be listed under an artists location, a gallery or an oasis.
- Also, you can be represented on the Earth Arts website.
- All artwork displayed on the Tour by both the host and any guest artist must be hand-made and representative of the artists work. No resale or buy- sell items are allowed. You are required to be open during all of the posted hours of the tour. No exceptions.

NEW THIS YEAR! In an effort to encourage new artists we are instituting a FREE Earth-Arts Emerging Artist membership for 1st year exhibiting artists if exhibited at a qualified 501 (C) 3 non-profit venue. Availability of space, any fees associated with exhibiting, and the obligation of being present would be up to the organization. The hope is that artists who don't have a large body of work will be able to participate in the Tour. Organizations would handle the sales for those artists and can charge accordingly. It is up to the 501(c) 3 to charge any extraneous costs.

If someone is looking for a place to display their art on the Tour, please contact PAUL SUPPLEE at boghouse1534@gmail.com
