*SPRING ART TOUR 2021*

The Earth Arts Spring Art Tour, held May 7<sup>th</sup>, 8<sup>th</sup>, and 9<sup>th</sup> in 2021, is not a traditional art show or festival. It is a Grand Tour of artists' and artisans' studios, local art galleries, and art organizations. The Tour runs through Polk County, Wisconsin, with a few sites just north in Burnett County and a few more across the St. Croix River in Minnesota.

We had to cancel the Spring Art Tour of 2020, feeling that it was the only socially responsible course of action in light of the Coronavirus Pandemic. Artists and attendees lost a great art opportunity.

Earth Arts intends to come back in 2021 with a ROAR - a Tour with more artists at more stops than ever before!

We have a new, earlier timeline - The Call is open as of August 15, 2020 and closes as of October 31, 2020. Also new are the Participation Guidelines (including an Attendance and Refund Policy) that you will need to read and accept.

Find the forms you need to be a part of this great annual event at [www.earthartswi.org](http://www.earthartswi.org).

Opportunity is knocking again.
