

EARTH ARTS
SPRING ART TOUR

TOUR OASIS FORM

MAY 7-8-9, 2021

Dear TOUR OASIS,

Please consider this as your invitation to be a Tour Oasis in the Spring Art Tour this year! Your support is appreciated by all the artists. The Spring Tour brings hundreds of people into the upper St. Croix River Valley area. We will be printing 8,000 brochures which are circulated throughout the Tour area and approximately 3,500 brochures will be sent to customers on our mailing list. We also promote the event with press releases, radio announcement, and posters. Brochures are also distributed throughout the calendar year by the artists and the Polk County Information Center.

A "Tour Oasis" is a retail business that will be a tour stop in our brochure and on the map. An Oasis must have refreshments available, public restrooms, seating; plus we encourage you have at least one Earth Arts member artist display. You will receive a Tour Oasis road sign to place outside of your business.

Please contact Paul Supplee 715-554-1690 or Sally Klevgard at 715-268-5800 for questions or assistance.

Information and check must be received by October 30, 2020!

Thank you! Earth Arts Spring Tour Committee

EARTH ARTS SPRING ART TOUR, MAY 7-8-9, 2021

\$200.00 Fee (no membership required)
