MAY 6-7-8, 2022

Dear Advertiser,

Thank you for becoming an advertiser in the Earth Arts Art Tour Brochure this year!
Your support is appreciated by all the artists. The cost of one space this year is still \$60 and will have basic information about your business.

We will be printing 8,000 brochures which are circulated throughout the Tour area and approximately 3,500 brochures will be sent to customers on our mailing list. We also promote the event with press releases, radio announcement, and posters. Brochures are also distributed throughout the calendar year by the artists and the Polk County Information Center.

Please contact Paul Supplee 715-554-1690 or Sally Klevgard at 715-268-5800 for questions or assistance.

Information and check must be received by January 30, 2022!

Thank you!
