SPRING ART TOUR

GALLERY

MAY 5-6-7, 2023

Dear GALLERY,

Please consider this as your invitation to be a Tour Stop on the Spring Art Tour this year and become an Earth Arts member! Your support is appreciated by all the artists. The Spring Tour brings hundreds of people into the upper St. Croix River Valley area. We will be printing 8,000 brochures which are circulated throughout the Tour area and approximately 3,500 brochures will be sent to customers on our mailing list. We also promote the event with press releases, radio announcement, and posters. Brochures are also distributed throughout the calendar year by the artists and the Polk County Information Center.

As a Tour Stop, we encourage you to have at least one Earth Arts member artist or student display.
